Such is my belief after receiving a number of reports from different parts of the state, in which the petitions are being circulated," said Leon McCord yesterday, the leader of the Safe and Sane Business Men's Movement.</p> <p>"I am informed that the petitions are being widely circulated whenever they are presented. I have already received a large number of them, with many signatures. The last I heard from the Montgomery petitions a couple of days ago, was that they had been signed by more than a thousand good citizens of this county.</p> <p>"And my mail continues heavy. When I began this movement I did not realize how much popular strength there was back of it. But the people of Alabama have grown tired of strife and agitation—and they are making that clear."</p> <p>Mr. McCord was asked if he and other men in his movement</p>	<h2>BLUES AND REDS</h2> <p><b>TO PLAY BASKET BALL TONIGHT.</b></p> <p>No Green Players Are Included In the Line-up and Good Game Is Promised.</p> <p>To-night at the Club rooms of the Athlete Club, the Reds and Blues will meet in what promises to be an exceedingly good game of Basket Ball. The teams will be made up almost altogether of the material which originally composed them, but changed about at the suggestion of Mr. W. S. Bonham (who by the way has acquired quite an expert knowledge of the game) to where both teams are actually satisfied with the arrangement, which is as follows:</p> <p>Blues—Ussery, captain, center; Bonham and Lee, forwards; Blau and Deal, guards.</p> <p>Reds—Newton, captain, center; Ghent and McDaniel, forwards; Cotton and Baker, guards.</p> <p>Referee—Saxon. Score-keeper—Garner. Time-keeper—Harrison. Time called 8:15.</p>	<h2>MASS MEETING HELD</h2> <p><b>TUESDAY NIGHT, AT HEADLAND.</b></p> <p>Much Enthusiasm Over Prospect of Getting St. Andrews Bay Road.</p> <p>Special to The Eagle. Headland, Ala., July 28.—Tuesday night the citizens of Headland held a Rail Road Mass Meeting in the Headland council chamber. That they are enthusiastic over the prospect of getting the Atlanta and Saint Andrews Bay road was shown by the large number present, over a hundred being in attendance.</p> <p>Mr. J. L. Kelly was made chairman of the meeting and W. B. Oates chosen a secretary.</p> <p>Several very enthusiastic speeches were made and committees appointed to confer with the Road and get them to make the town a proposition.</p> <p>The meeting was harmonious in every respect and the unanimous spirit was that Headland wanted the road and would leave no effort unmade to secure it.</p> <p>This road will mean much to Headland and the citizens should not let the matter rest until it is built.</p>

along the lines on these streets

When placed in position they  
will raise the electric wires above  
the trees and add much to the  
efficiency of the service

The poles on the above streets

How dear to our heart is the  
old silver dollar, when some-  
kind subscriber presents it to  
view—the liberty head without  
necktie or collar, and all the  
strange things that to us seem so  
new, the arrows below it, the stars  
and the words with the queer  
things to tell. The coin of our fa-  
ther! We're glad that we know  
it, for some time or other 'twill  
come in right well—the old silver  
dollar, the wide spreading dollar,  
the big welcome dollar we all love  
so well.—Kansas City Journal
